### General

|                           |            |
|---------------------------|------------|
| Status                    | Active     |
| Recessed Can Size         | 5-6 in.    |
| Wattage                   | 9.8W       |
| Voltage                   | 120V       |
| Finish                    | White      |
| CCT (Kelvin)              | 4000K      |
| Color Temperature         | Cool White |
| Lumen Output              | 650L       |
| Indoor or Outdoor Fixture | Indoor     |

### Specifications

|                       |   |
|-----------------------|---|
| Technology            | LED                                     |
| CRI                   | 90                                      |
| Beam Angle            | 90                                      |
| Rated Hours           | 35000                                   |
| Operating Temperature | -20C (-4F) to a maximum of +40C (+104F) |
| Dimmable              | Yes-Dimmable                            |

### Dimensions

|              |      |
|--------------|------|
| Width (in.)  | 7.38 |
| Height (in.) | 2.31 |
| Weight (lb.) | 0.88 |

### Compliance

|                    |                    |
|--------------------|--------------------|
| Safety Listing     | cULus - Classified |
| Location Rating    | Wet                |
| Energy Star        | No                 |
| California Status  | Non-Compliant      |
| California Prop 65 | Lead               |
| RoHS Compliant     | Yes                |
| FCC Compliant      | Yes                |

### Additional Information

|                        |   |
|------------------------|---|
| Additional Information | Trim material is Thermo Plastic;<br>Trim color is White   |
| Installation Notes     | For installation into recessed LED ready only luminaire with compatible connectors, connect orange terminals together, dispose of the E26 adaptor included. |
| Warranty               | 3 Year Limited - Fixtures   |
